

Product Change Notification

Document No. **PCN-A-20240516** Revision **1.0**

PCN TOPIC:

M116 Series LAN Port Design Change

PCN Type:

Product Improvement

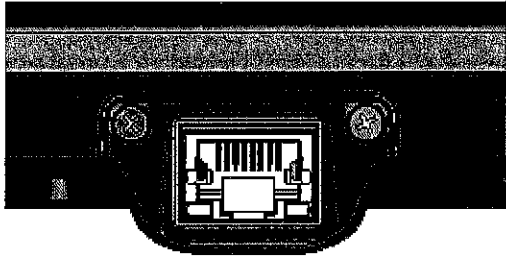

Change Detail Descriptions:

M116 series tablet LAN port design change to decrease the height of the LAN port connector.

Change and Impact:

Critical Change: outside dimension changes

Due to the outward improvement, Winmate will change the LAN component to decrease the height of the LAN port connector to make the outward smoother. And the design change is not related to any function that M116 series tablets already have.
